“TENGO TU LOVE” listening assessment script:

SPANISH:

Yo tengo muchas cosas que son muy importantes para mí. Tengo un perro que se llama Papi, y es un buen perro porque es muy obediente. También tengo un gato, pero no me gusta. Los gatos no son tan interesantes como los perros. No tengo un carro porque no tengo 16 años, pero tengo una bicicleta muy buena. A mí me encantan los aparatos electrónicos. No tengo una televisión en mi dormitorio, pero sí tengo una en mi casa y la miro mucho. Mi programa favorito se llama «Ana y los siete». Mi cosa favorita es mi computadora. Yo tengo un teléfono celular que me gusta mucho también, pero no tiene Internet, así que prefiero la computadora. Para mí, las computadoras valen más que los teléfonos porque se puede hacer mucho más con una computadora que un teléfono. Pero aunque mi computadora sea muy importante, mi posesión más importante es mi Biblia. Para mí, la fe vale más que la información, así que mi Biblia vale más que mi computadora.
